

**6th BIENNIAL INTERNATIONAL CONFERENCE ENTITLED
"NEW DEVELOPMENTS IN DRUG DISCOVERY FROM NATURAL PRODUCTS AND TRADITIONAL MEDICINES"
(15TH TO 17TH NOVEMBER, 2018)**

The Department of Natural Products, NIPER organized the Biennial International Conference on Drug Discovery from Natural Products and Traditional Medicines in 2008, 2010, 2012, 2014 and 2016. The conference was a grand success as evidenced by huge participation of national and international scientists. This success led to the recommendation by the Advisory Committee consisting of eminent scientists for making it a Biennial event.

We are pleased to announce that this year again, we shall be organizing this international conference and already twenty-five eminent scientists from abroad have agreed to deliver plenary and invited talks covering very broad areas of Drug Discovery. The broad areas to be covered this year are: Methods and techniques, Phytopharmaceuticals, Nutraceuticals and functional foods, Lifestyle and metabolic disorders, Marine natural products, Traditional medicines and formulations, In-silico approaches, Discovery of new biological pathways, New/novel entities as lead scaffolds, Infectious and parasitic diseases, Oncology, Inflammation and immunologic disorders, and Synthesis of bioactive molecules.

This will be a great opportunity for your company to display or advertise your expertise and business to National and International audience engaged in research on Natural products and traditional medicines. A high quality souvenir will be published on the proceedings of the conference. As a regular supplier of chemicals and equipments, we solicit your sponsorships for this conference. The conference will be attended by people from pharmaceutical Industry, government laboratories, research institutions, academic institutions among others. The following opportunities exist for sponsorship.
